A new cycle begins c. 21 Sep 2012 wherein the past compresses through a reflective birthing cycle into an initial future of reflexed manifestation.

21 SEPTEMBER 2012 REFLEXED

In "reflexed" interpretation, 21 Sept 2012 can be represented thus:

Note: There is almost a complete Key of Atlantis represented through reflexed energy.

--()--

This will be a time of very interesting and contrasting energy manifestation (as above, so reflexed below; and as below, so reflexed above) within all levels of the individual's being (physical/health, emotional/feelings, mental/perceptions, and consciousness/projection).

Additionally, influences from the past, including past cycles, will particularly impinge upon the now - especially those past cycles with unfinished business or unresolved issues from the more recent past.

This will also be true of social change cycles, and past cycles will be reflected in the manifested energy of the now. Consequently, this will be a good time to look back to move forward - to let go of (ground) restricting past issues and to project unencumbered into the future.

--()--

Important:

As this new cycle unfolds, the reflex components will slowly fade over time.

Unfortunately, there is no "one size fits all" interpretation, and the unfolding cycle's energy profile must be overlaid on the individual's life-force energy profile, or the social collective profile, to analyse specific influences and to extrapolate possible trends.
