**Introduction**

Is David Wilcock (born 1973) the reincarnated Edgar Cayce (1877-1945)?

Many people think so:

"Edgar Cayce (1877-1945) was a premier mystic/psychic of the Western world, whose many predictions about reincarnation, evolution of the soul, health issues, and Earth changes comprise a legacy that affected countless people. Cayce also predicted that he would return in 1998. The facts and circumstances surrounding the life of David Wilcock make a convincing case that he is the reincarnation of Edgar Cayce."

(Product Description of, "*The Reincarnation of Edgar Cayce: Interdimensional Communication and Global Transformation*", by David Wilcock (Author) and Wynn Free (Author))

"An endlessly fascinating speaker and writer, David Wilcock also strongly believes he may well be the reincarnation of the late, great Edgar Cayce, who was known as the "sleeping prophet" for his astoundingly accurate psychic and prognostication abilities. Before his death in 1945, Cayce vowed to return to Earth in another incarnation. Could it be that Edgar Cayce has returned as David Wilcock?"

"... All in all, David Wilcock is one of the great thinkers, teachers and prophets of our time and that is precisely why we have chosen to feature him on this web site. He will expand your consciousness, your enlightenment and will inspire you in many remarkable ways. Guaranteed!"

(Scott Mowry - <http://www.miraclesandinspiration.com/wilcock.html>)

There are many comments, like these, which support the claim that David Wilcock is the reincarnated Edgar Cayce.

## Dates With Astrological Congruency for Possible Reincarnation (1900-2000)

From an analysis of planetary movement, the following dates contain "astrological congruency" regarding a native being the reincarnated Edgar Cayce.

Because Edgar Cayce only died in 1944, the 1909 and 1941 dates are for interest only, and confirm that congruency does exist during a Native's lifetime.

Basically, anyone born on the following dates could lay claim, to greater or lesser degrees, to be the reincarnation of Edgar Cayce (this corresponds to the "rules" set down by the proponents of David Wilcock's claim).

## Summary

Following is a summary of the greatest and least congruency dates for a particular year.

Congruency is rated as excellent, good, moderate, or poor. Only an "excellent" level, with a factor less than twenty, would possibly correspond to reincarnation. Anything with a factor of twenty or greater can be dismissed in terms of reincarnation.

## Dates of Greatest Congruence

The lower the factor the greater the congruency:

19 March 1909 - Factor 16 (excellent)

18 March 1941 - Factor 23 (good)

19 March 1973 - Factor 27 (good)

28 February 2005 - Factor 45 (poor)

19 February 2007 - Factor 58 (poor)

02 March 2037 - Factor 34 (moderate)

08 March 2069 - Factor 31 (moderate)

--()--

### Dates of least congruence

The lower the factor the greater the congruency:

20 March 1909 - Factor 17 (excellent)

03 March 1941 - Factor 42 (poor)

19 March 1973 - Factor 27 (good)

04 March 2005 - Factor 47 (poor)

20 February 2007 - Factor 59 (poor)

24 February 2037 - Factor 52 (poor)

03 March 2069 - Factor 43 (poor)

### Congruency of David Wilcock's Chart

08 March 1973 - Factor 41 (poor)

--()--

### Energy Comparison

The following table compares the charts' existential energies.

Chart Energy	Cayce	Wilcock
Earth	6	3
Water	4	4
Fire	2	1
Air	0	4
Positive	2	5
Negative	10	7

<b>Fixed</b>	6	3
<b>Mutable</b>	4	6
<b>Cardinal</b>	2	3

Are the charts congruent from an energy perspective?

No, there is no energy congruency, whatever, between the charts.

### **Chart Interpretation**

Astrological charts can be interpreted to confirm or deny anything that the reader so desires. Consequently chart interpretation is not admissible in this case. For every positive interpreted point presented, a negative counter-argument can be offered.

To take the matter further, I would recommend carefully controlled past life regression and Akashic Record exploration.

### **Conclusion**

Are the overlaid charts "basically identical", as claimed? No - see the above charts for yourself.

From a positional- congruency "astrological perspective", is David Wilcock the reincarnated Edgar Cayce? No - the final congruency is poor.

From an "esoteric-existential-psychological" perspective is David Wilcock the reincarnated Edgar Cayce? It is highly unlikely that David Wilcock is the reincarnated Edgar Cayce. Why? It is very difficult for a person who died naturally in 1945 to have realigned their spirit-energy to be able to re-enter the physical plane in only 28 years - this, in fact, would be a precedent.

Who then is David Wilcock? David Wilcock is David Wilcock - a self proclaimed, professional psychic.

Is David Wilcock a fraud? Only you can answer that question.

### **Final Word**

"Wilcock's readings are often cryptic and are at best understood in retrospect"  
(Jan Wicherink, 25 June 2004, [http://www.soulsofdistortion.nl/SODA\\_chapter12](http://www.soulsofdistortion.nl/SODA_chapter12))

"Edwin Blumenthal was a close friend of Edgar Cayce (prior to the big falling-out), who had many Cayce readings. The Cayce Readings said that Edwin had been Jesus Christ's brother, Jude, in a past life. They also said that Edwin could be a conscious channeler and do even better readings than Cayce. After hearing that [Blumenthal being the reincarnated brother of Christ], I completely dismissed Edgar Cayce. Oh yes, Cayce's extraordinary failure in divining information about the Lindbergh kidnapping case actually says it all."  
(Miles Cummings)

Edgar Cayce said he would return in 1998.
