## Introduction

The following images were emailed to the author from an unknown source, and have been reproduced here without any changes.

Here are the images for your consideration:

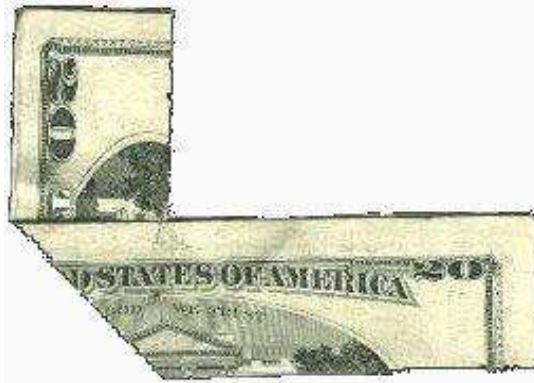

--()--

## The Twenty Dollar Bill

Take a Twenty Dollar Bill and fold it thus:

Now fold thus:

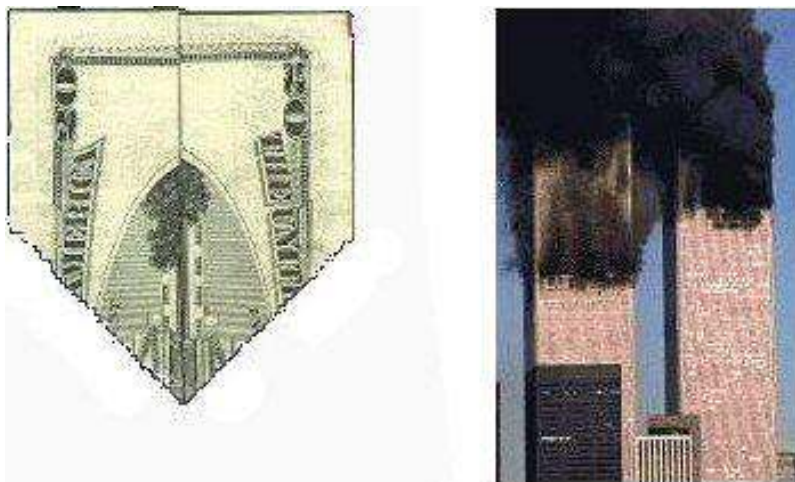

Now fold the right side under thus:

It is suggested that, in the circle, you can see the Pentagon Building burning

Now turn the Twenty Dollar bill over, thus:

What does it depict?

Following is an enlargement, and it is said that it depicts the World Trade Centre Towers burning

Now take a Twenty Dollar bill and fold it thus:

And the name "OSAMA" is revealed

Now fold the bill thus:

And a new name is revealed - "ARAFAT" - written right to left (as is common when writing in Arabic, etc)

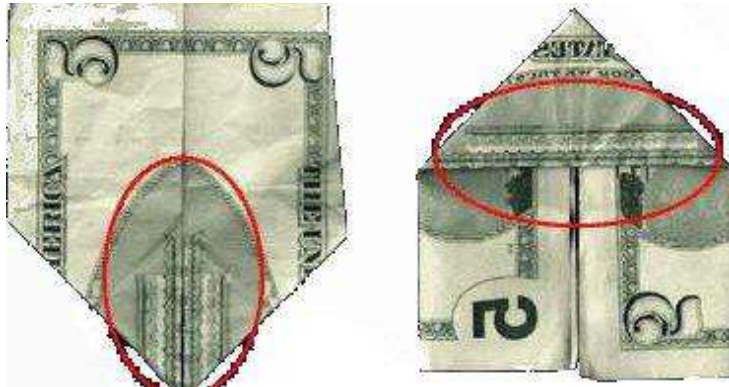

On the above picture, note the word "AMERICA" on the left, and the word "UNITED" on the right - this said to depict the two airlines (American and United), which crashed into the World Trade Centre Towers.

--()--

### The Five Dollar Bill

Fold the Five Dollar bill as shown previously for the twenty dollar bill

It is suggested that the image on the left depicts the World Trade Centre Towers before they were hit

It is suggested that the image on the right depicts the Pentagon building before it was hit

--()--

### The Ten Dollar Bill

Fold the Ten Dollar bill as shown previously for the twenty dollar bill

It is suggested that the Ten Dollar bill depicts the World Trade Centre Towers burning

### The Fifty Dollar Bill

Fold the Fifty Dollar bill as shown previously for the twenty dollar bill

It is suggested that the Fifty Dollar bill depicts the fall of the World Trade Centre Towers

--()--

### **The Hundred Dollar Bill**

Fold the Hundred Dollar bill as shown previously for the twenty dollar bill

It is suggested that the Hundred Dollar Bill depicts the smoke over the World Trade Centre Towers

End
